NOTES TO NOTICE OF MEETING

1. Explanatory Statement

An explanation of each resolution is included in the accompanying Explanatory Statement.

2. Voting and Required Majority

2.1 The Board, as the convenor of the meeting, has determined that the shareholding of each member for the purpose of ascertaining voting entitlements for the Annual General Meeting will be as it appears on the register of Shareholders at **5.00pm** (Melbourne time) on **Tuesday, 17 May 2011** and will process no transfers from that time until the end of the Meeting.

2.2 On a show of hands, every person present and qualified to vote shall have one vote. If a Shareholder appoints one proxy, then that proxy may vote on a show of hands. However, if the Shareholder appoints 2 proxies, neither may vote on a show of hands.

If a Shareholder appoints a proxy who is also a Shareholder or also a proxy for another Shareholder, their directions may not be effective on a show of hands. However, upon a poll and upon the proxy voting on the poll then their voting direction will be fully counted. Should a poll be taken, then the Auditors, Russell Bedford NSW, will act as scrutineer.

2.3 For the Resolutions to be effective:

- each Resolution must be passed at a meeting of which not less than 28 days' written notice specifying the intention to propose the Resolutions has been given; and
- each ordinary and special Resolution must be passed by more than 50% and at least 75% respectively of all the votes cast by Shareholders entitled to vote on the Resolutions (whether in person or by proxy, attorney or representative). Resolution 4 is a special resolution.

3. Voting Exclusion Statements

3.1 The Company will disregard any votes cast on Resolution 2 by any person who has an interest, or will obtain a benefit, in the passing of the relevant Resolution(s) and any Associates of that person.

However, the Company need not disregard a vote if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

In approving the Notice of Meeting all Resolutions as set out as the business of the meeting have the support and recommendation of all the Directors except in the case of the election of Mr Gould as a Director seeking re-election where, in relation to Resolution 2, Mr Gould abstained from voting in respect of his own election;

4. Questions and Comments by Shareholders at the Meeting

4.1 In accordance with the Corporations Act (sections 250S and 250SA) and rule 104.3 of the Constitution, a reasonable opportunity will be given to Shareholders at the meeting to ask questions about, or make comments on, the management of the Company and the remuneration report.

4.2 Similarly, in accordance with the Corporations Act (section 250T) and rule 104.4 of the Constitution, a reasonable opportunity will be given to Shareholders to ask the Auditors, Russell Bedford NSW, questions relevant to:

- (1) the conduct of the audit;

- (2) the preparation and content of the Auditor's Report;
 - (3) the accounting policies adopted by the Company in relation to the preparation of its financial statements; and
 - (4) the independence of the Auditor in relation to the conduct of the audit.
- 4.3 Shareholders may also submit written questions to Russell Bedford NSW, via the Company, no later than 5 business days before the Annual General Meeting. Any question must be relevant to the content of Russell Bedford NSW's Audit Report or the conduct of its audit of the Company's financial report for the year ended 31 December 2010.

Relevant written questions for Russell Bedford NSW must be received no later than **5.00pm** (Melbourne time) on **Thursday, 12 May 2011**. A list of those relevant written questions will be made available to Shareholders attending the Annual General Meeting. Russell Bedford NSW will either answer the questions at the Annual General Meeting or table written answers to them at the Meeting. If written answers are tabled at the Meeting, they will be made available to Shareholders as soon as practicable after the Annual General Meeting.

5. Proxies

- 5.1 A Shareholder entitled to attend and vote at this Meeting is entitled to appoint not more than 2 proxies. If 2 proxies are appointed, each proxy must be appointed to represent a specific proportion or number of the Shareholder's voting rights. If the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, each proxy may exercise one half of the Shareholder's votes.
- 5.2 If Shareholders wish to appoint one proxy, please use the form provided. If you want to appoint 2 proxies, please contact the Company for an additional form, or copy that provided, and follow the instructions set out on the reverse side of the proxy form.
- 5.3 A Shareholder may appoint an individual or a body corporate as their proxy. A body corporate appointed as a proxy may then nominate an individual to exercise its powers at meetings. A proxy need not be a Shareholder of the Company.
- 5.4 To be effective a proxy form and an original or certified copy of the authority (if any) under which it is signed (such as a power of attorney or, in the case of a body corporate Shareholder, a certificate of appointment of personal representative) must be:
- delivered (by hand, mail, courier or fax) to the Company at Suite 630, Level 6, 1 Queens Road, Melbourne, Victoria 3004, Australia;

- 5.5 If a Shareholder is a body corporate, the proxy form may be signed by:
- 2 directors; or
 - a director and either a company secretary or other authorised signatory; or
 - in the case of a proprietary company that has a sole director that is also the sole company secretary, by that director, or
 - the body corporate's appointed attorney under power of attorney.
- 5.6 In the case of joint holdings a proxy may be signed by any one of the joint holders. However, if the Company receives more than one appointment for the same Share:
- an appointment signed by all joint holders will be accepted in preference to an appointment signed by the Shareholder whose name appears first in the register of Shareholders or by any other Shareholder holding the share jointly; and
 - subject to the preceding paragraph, an appointment signed by the Shareholder whose name appears first in the register of Shareholders will be accepted in preference to an appointment signed by any other Shareholder or Shareholders holding the share jointly.

- 5.7 Completion of a proxy form will not prevent individual Shareholders from attending the Meeting if they wish. Where a Shareholder completes and delivers a valid proxy form and attends in person, the authority of the proxy to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
- 5.8 In the absence of your instructions, your proxy will vote or abstain from voting as they think fit.
- 5.9 Should you desire to direct your proxy how to vote, please insert 'X' or the percentage of votes in the box appropriate to each Resolution in the proxy form.

SHAREHOLDERS ARE URGED TO COMPLETE ANY ONE OF THE "FOR", "AGAINST" OR "ABSTAIN" BOXES ON THE PROXY FORM THEREBY GIVING A DIRECTED PROXY WHICH THEN CAN BE COUNTED IN ACCORDANCE WITH THEIR WISHES.

EXPLANATORY STATEMENT

1. IMPORTANT NOTICE

- 1.1 This Explanatory Statement is given to Shareholders to explain the resolutions to be considered at the Annual General Meeting (**Resolutions**) and to allow Shareholders to determine how they wish to vote on the Resolutions. The Explanatory Statement should be read in conjunction with, and forms part of, the Notice of Annual General Meeting which this Explanatory Statement accompanies.
- 1.2 Capitalised words in this explanatory statement have a defined meaning which appears in it or in the Glossary.
- 1.3 This explanatory statement is dated 18 April 2011.

2. REPORTS

- 2.1 The Corporations Act requires the financial statements and reports of the Directors and Auditors to be laid before the Meeting. These are all incorporated into the 2010 Annual Report which is available on the Company's website at www.vitalifesciences.com.au. Neither the Act nor the Constitution requires Shareholders to vote on such statements and reports. However, Shareholders will be given ample opportunity to raise questions on the Annual Report and other matters at the Meeting. For further information as to these, see note 4 in the "Notes to the Notice of Meeting" section.

2.2 Explanation of Resolution 1 - Remuneration Report

The Directors' Report - "Remuneration Report" (**Remuneration Report**) is contained in the Company's 2010 Annual Report.

The Corporations Act requires a resolution be put to the shareholders of a listed company to adopt the remuneration report as disclosed in the Directors' Report component of the 2010 Annual Report (see pages 10 to 16 inclusive). This Resolution is being put so as to give Shareholders a reasonable opportunity to ask questions or make comments concerning the Remuneration Report during the Meeting. The vote on this Resolution is advisory only and non-binding on the Board.

The Remuneration Report:

- (1) explains the Board's policies in relation to the nature and level of remuneration paid to Directors, secretaries and senior managers with the Company;
- (2) discusses the link between the Board's policies and the Company's performance;
- (3) provides a summary of performance conditions, explaining why they were chosen and how performance is measured against them;
- (4) sets out remuneration details for each Director and for each member of the Company's senior executive management team; and
- (5) makes clear that the basis for remunerating non-executive directors is distinct from the basis for remunerating executives, including executive directors.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

2.3 Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

3. EXPLANATION OF RESOLUTION 2 – ELECTION OF DIRECTOR

3.1 Shareholders will be asked to consider and, if thought fit, pass the following Resolution as an ordinary resolution:

“That Vanda Russell Gould, a director retiring by rotation in accordance with rule 5.1 of the Constitution, being eligible and having consented to act, be re-elected as a director of the Company.”

Mr Gould, being eligible, offers himself for re-election as a Director of the Company and his consent to act will be tabled at the Meeting prior to the resolution to re-appoint him being put to the Meeting.

3.2 The Constitution and the ASX Listing Rules require that, at each annual general meeting, one third of the Directors must retire from office. The Directors retire by rotation and hence Mr Gould is being put up for re-election.

3.3 The Nominations Committee of the Company has conducted an assessment of Mr Gould, and has reviewed the skills, knowledge, experience and diversity represented on the Board. Having conducted those assessments and that review, the Board recommends to Shareholders the re-election of Mr Gould.

3.4 The following is a profile of Mr Vanda R Gould:

Board position:	Appointed Non-Executive Chairman since 2000.
Qualifications:	Masters of Commerce, University of New South Wales, NSW, Bachelor of Commerce, University of New South Wales, NSW, Fellow of the Institute of Chartered Accountants and Fellow of the Certified Practising Accountants.
Experience:	Mr Gould has broad business experience having practised as a chartered accountant for more than 30 years. As founding Chairman in 1984 of CVC Limited (listed on the ASX) he has overseen investments in several companies involved in the health services/medical industries including Cyclopharm. Mr Gould is the Chairman of Cyclopharm Limited (also listed on the ASX) and several other private and public companies and educational establishments.
Committees:	Chairman of the Remuneration, Nominations and Audit and Risk Committees.

Mr Gould will vacate the chair for the vote on Resolution 2 and whichever director acts in that capacity intends to vote any undirected proxies in favour of the re-election of Mr Gould.

3.5 Directors' Recommendation

The Board, other than Mr Gould (who abstains), recommends that Shareholders vote in favour of Resolution 2.

4. EXPLANATION AND SUMMARY OF RESOLUTION 3: SHARE BUY-BACK

- 4.1 Shareholders will be asked to consider and, if thought fit, pass the following resolution as a **ordinary resolution**:

“That pursuant to and in accordance with section 257C of the Corporations Act 2001 (Cth), as amended, Rules 7.29 and 7.33 of the Listing Rules of ASX Limited, and for all other purposes, the shareholders approve, with effect from when the Directors make the relevant announcement to the ASX, the on-market buy-back of up to 15% of the fully paid ordinary shares in the Company expiring on whichever is the earlier of the anniversary of the passage of this resolution or the 2012 Annual General Meeting and otherwise on the terms and conditions set out in the Explanatory Statement accompanying the 2011 Annual General Notice of Meeting at which this resolution is to be put.”

4.2 Background

The Corporations Act authorises a listed company to buy-back its own shares on market if the buy-back does not materially prejudice its ability to pay its creditors and it follows the procedures set out in the Corporations Act. Shareholder approval is required if all of the shares bought back in the last 12 months are more than 10% of the minimum number of shares on issue at any time during the last 12 months. This limit after which a company requires shareholder approval for an on-market buy-back is called the "10/12 limit".

Authority is sought to affect an on-market buy-back of Shares subject to conditions, such as the purchase of up to a maximum of 15% of the issued capital by the Company. Such an on-market buy-back would exceed the 10/12 limit.

Resolution 3 authorises an on-market buy-back for the current financial period expiring on whichever is the earlier of:

- the anniversary of the passage of this resolution; and
- the 2012 Annual General Meeting.

- 4.3 The price that the Company will pay under the on-market buy-back offer is the current market price as outlined below. For there to be a “current market price”:

- share trades must have been recorded on the ASX on at least 5 trading days in the 3 months preceding the buy-back (ASX Listing Rule 7.29);
- the Company must have made an announcement to the ASX that it complies with that Listing Rule and intends to proceed with an on-market buy-back; and
- there must be a moving cap calculated at 5% above the average of the market price of the Shares calculated over the last 5 days in which trading in the Shares was recorded, with the buy-back to occur on the next trading day (ASX Listing Rule 7.33).

- 4.4 As required by section 257C(1) of the Corporations Act, the implementation of the buy-back is conditional on the approval by a resolution passed at a general meeting of the Company. This resolution is an ordinary resolution and will be passed if a majority of votes cast, in person or by proxy, attorney or representative by Shareholders at the meeting is cast in favour of the resolution.

- 4.5 If this resolution is passed, the buy-back may be implemented by the Board at any time by making the announcement to the ASX required by the ASX Listing Rules. Nevertheless, the Board may choose not to proceed, or to proceed at a later date (see item 4.6 (c)).

- 4.6 If the Board makes the relevant announcement the on-market buy-back will be effected on the following terms:
- (a) The maximum percentage of Shares to be bought back is 15%. Based on the number of ordinary shares on issue as at the date of this notice being 58,484,790 shares, the maximum number of Shares to be bought back would be 8,772,718.
 - (b) The Constitution does not, at the relevant time, preclude the buy-back of Shares or restrict the Company's power to do so. The Company will stand in the market to buy-back not more than 15% of its ordinary share capital and this can be done on a continuous basis.
 - (c) The Company intends that no offer will be made earlier than 20 May 2011 and the relevant Shares will all have been bought back before the close of business on 19 May 2012, however, the resolution can operate for as long as 12 months or until the next AGM, whichever occurs first.
 - (d) In the event that the ASX Listing Rules are inconsistent with any term of the on-market buy-back set out in this explanatory statement, the Company intends that such Listing Rule(s) override that term to the extent of that inconsistency.
 - (e) Acceptances, once given, are irrevocable.
 - (f) At the date of this explanatory statement, no Director had determined whether he will accept a buy-back offer in respect of shares in which he has an interest.

4.7 **Advantages of Introducing a Share Buy-back**

The key advantages of the on-market buy-back being allowed to proceed are as follows:

- (a) increase the liquidity of the Shares;
- (b) an efficient use of any surplus capital that becomes available to the Company in a market where finding suitable investments proves difficult;
- (c) increasing price competition for the Shares; and
- (d) the promotion of a more efficient capital structure.

4.8 **Disadvantages of Introducing a Share Buy-Back**

The key disadvantages of the on-market buy-back being allowed to proceed are as follows:

- (a) it reduces the cash balances of the Company; and
- (b) it is on a selective rather than equal access basis.

- 4.9 The financial effect of the proposed buy-back will deplete the Company's cash reserves and/or to increase its borrowings depending upon the appropriate funding mix utilised by the Directors at the time the offer proceeds. Against this, the share capital of the Company will be reduced with a likely beneficial increase of net tangible asset backing per share. The offer will not proceed if the buy-back would materially prejudice the Company's ability to pay its creditors.

The Company intends to utilise its cash reserves to pay for the Shares it buys-back when making the on-market offer and to supplement same with borrowings. The break-up between one and the other will depend on the circumstances of the Company at the time the offer is made and will be detailed in the relevant announcement to the ASX.

By way of example, an on-market buyback offer at \$0.27 per share would require maximum funding of approximately \$2,368,633 (assuming full acceptance of the buy-back offer 15%).

- (a) Accepting the on-market Share buy-back may have financial, taxation, or other ramifications for Shareholders depending upon each such Shareholders' personal circumstances and the Board recommends that before accepting any on-market offer, Shareholders should obtain their own professional advice.

- (b) The financial statements of the Company are available on the Company's website at www.vitalifesciences.com.au.
- (c) The Company is satisfied that this notice of meeting and explanatory statement set out all the information known to the Company that is material to the decision how to vote on the resolution.

If approval of Resolution 4 is not given, the Company is still able to buy-back on market the maximum number of Shares permitted under the 10/12 limit without Shareholder approval.

4.10 **Directors' Recommendation**

The Board unanimously recommends that Shareholders vote in favour of Resolution 3

5. EXPLANATION AND SUMMARY OF RESOLUTION 4: AMENDMENTS TO CONSTITUTION: PAYMENT OF DIVIDENDS

- 5.1 The Corporations Act 2001 (Cth), as amended, (in section 254T) was recently amended to change the circumstances in which the directors can declare and/ or recommend the payment of dividend by the Company. Dividends no longer have to be paid out of profits. The 'profits' test for paying dividends has been replaced with a 'solvency' test. The solvency test focuses on a balance sheet test and the protection of shareholders and creditors. The change to the law was made in recognition to the increasing volatility of company profitability resulting from changes in treatments under the Australian Accounting Standards, in particular the concern that many non-cash expenses that companies are now required to be recognised in their financial statements, impede the ability of a company to pay dividends under the profits test, notwithstanding that those non-cash expenses do not affect the Company's financial ability to pay dividend.
- 5.2 If this resolution 4 is approved by shareholders, the Company will now be allowed to pay a dividend where:
 - (a) the Company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
 - (b) the payment of the dividend is fair and reasonable to the Company's shareholders as a whole; and
 - (c) the payment of the dividend does not materially prejudice the Company's ability to pay its creditors.
- 5.3 Under the Constitution, the Company or the Board has the ability to declare a dividend. As the new requirements require certain determinations to be made as a precondition to such a declaration, and the Board is best placed to do so, the Constitution is to be amended to require the Board to make those determinations before any such declaration takes effect. If they cannot or will not, no dividend can be declared.
- 5.4 Incidental amendments are required to the Constitution so that the profits test is expunged and the timing of payments brought into line with the solvency test.
- 5.5 Your Directors consider that the amendments will bring the Constitution into compliance with the law and afford the Company greater flexibility to determine when and how a dividend will be determined and paid whilst ensuring that the interests of creditors are protected. There are no disadvantages for shareholders in passing the amendments but the Directors will have a number of timing and other matters to consider which will make the process more complex from their perspective. The Directors do not consider that there are any advantages or disadvantages specific to them acting otherwise than as such and, where applicable, as shareholders or the representatives of shareholders of the Company.
- 5.6 As at the date of the Notice of Meeting, no decision of the directors has been taken as to whether further dividend will be declared.

5.7 A special resolution is required for Resolution 4 which means at least 28 days' notice of this Meeting was required and, to be passed, the Resolution requires an affirming vote by 75% of those present at the Meeting in person, by proxy, attorney or representative and entitled to vote.

5.8 Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

IMPORTANT: FOR RESOLUTION No. 2

Chairman's Voting Authority

If the Chairman of the Meeting is your nominated proxy, or may be appointed by default, and you have not directed your proxy how to vote on Resolution No. 2, **please place a mark in this box.** By marking this box, you acknowledge that the Chairman may exercise your proxy even if he has an interest in the outcome of any resolution and votes cast by him, other than as proxy holder, would be disregarded because of that interest. If you do not mark this box, and you have not directed your proxy how to vote, the Chairman of the Meeting will not cast your votes on Resolution 2 and your votes will not be counted in computing the required majority if a poll is called on this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution.

Each Resolution, other than resolution 4 is to be put as an ordinary resolution requiring a simple majority of Shareholders present and voting either in person, by proxy, attorney or properly constituted certificate of representation. Resolution 4 is to be put as a special resolution and requires at least 75% majority of Shareholders present and voting either in person, by proxy, attorney or properly constituted certificate of representation.

As noted in the Explanatory Statement, the resolution to be put in relation to the Remuneration Report is advisory only and non-binding upon the Company and/or the Directors.

As noted above, the Chairman intends to vote any undirected proxies in favour of the resolutions.

*** If you mark the Abstain box for an item of business, you are directing your Proxy not to vote on your behalf on a show of hands or on a poll or, if your votes entitlement cannot be voted by the Chairman of the Meeting, your votes will not be counted in computing the required majority on a poll. Accordingly, the Directors urge Shareholders to lodge only "directed" proxy forms.**
